31/07/2020 **Italy** - Rules for Goods Supplied Through Distribution Systems

The Italian Tax Authorities have recently released clarifications about the place of supply rules with respect to goods supplied through distribution systems in Ruling Answer No. 193/2020.

Particularly, the Tax Authorities provided a clear distinction of the concepts "used" and "consumed" that are mentioned in the Italian VAT Law.

24/07/2020 **Poland** - SLIM VAT- simplification and modernization of VAT

Poland has introduced a simple, local and modern (“SLIM”) VAT initiative. From this VAT initiative, we highlight the following measures:

- Simplification of the correction of invoices;
- Zero rating advance payments on exports under certain conditions;
- Harmonization of exchange rates on VAT transactions with corporate income tax rules
- Increase of VAT-free gift allowance; and
- Increase of the statutes of limitation in order to deduct input VAT on purchases.

24/07/2020 **Greece** - Electronic Invoicing

Incentives have been introduced by the Greek Government in order to appeal companies for the usage of electronic invoices, namely:

- Full deduction of the expenses incurred with the production, transmission and electronic archiving of electronic invoices for the first year;
- Reduction to 2 years for the tax administration to issue an administrative act; and
- Faster processing in the tax repayments.

Companies must inform the Tax Authority that they will apply electronic invoicing in order to benefit from these incentives.

24/07/2020 **Hungary** - Reduced VAT Rate

The Hungarian Government introduced a 5% VAT rate on the sale of new residential property in “rust areas” with an area not larger than 150 square meters.

24/07/2020 **Greece** - COVID-19 Pandemic: Filing Deadline for Sales Lists

The filing deadline of 2019 Sales lists has been extended until 6 July 2020.

Corrections to any derogations may also be filed until 28 July 2020.
